**SUSTAINABLE
TRAVEL**

We are all **INTREPID**

Every Intrepid adventure starts with curiosity.

A desire to understand, to learn something new, to challenge beliefs and push boundaries. To say farewell to daily routines, to have fun.

For some families, being Intrepid means travelling as a solo parent for the first time, or trying a new spice with your meal. It's camping in a South African game reserve or hiking the last leg of the Inca Trail.

For others, it's travelling with a group of people, getting out of that bubble of familiarity, and making new friends in all corners of the globe.

Whether you've been travelling with your kids for years or you've never left home, we want to lead you to those moments of discovery, to satisfy that curiosity, to be Intrepid.

Because now, more than ever, the world needs more Intrepid people.

Why CHOOSE INTREPID

THE ULTIMATE ITINERARIES

We know every family holiday is precious, the chance to make lasting memories with the people you love. We're committed to making it unforgettable. Our itineraries strike the perfect balance between the group time and 'family time', with a focus on experiences only made possible when you're travelling with a local leader. You want freedom and flexibility as well as the highlights – that's why we craft tours that give you both.

LEGENDARY LOCAL LEADERS

Get ready to go beyond the main streets and into the heart of a destination. Travelling with our expert local leaders means your family can focus on being in the moment instead of worrying about missing the last train out of town or where you can safely stroll. It's adventure travel with all the boring details taken care of, guided by a local who wants to bring you into their world.

03

MORE DESTINATIONS, MORE WAYS TO TRAVEL

There's no one way to make a holiday, and that's why we offer family adventures in a diverse range of destinations and styles. Whether you're a solo parent travelling with a teenager who loves ancient history, an active bunch who like nothing better than family bike rides, or animal lovers of all ages who want to go on safari, we're committed to delivering travel experiences that fit your family.

04

Pyrenees, Andorra

Ait Benhaddou, Morocco

02

SMALLER GROUPS

Our groups are perfectly sized – on average, just three to five families – to let you feel like you're exploring a destination independently, but big enough to create a good social vibe for kids and adults alike. Whether you're swapping stories at a local homestay, or making pizza with an Italian family in their farmhouse, our small group size opens up big opportunities the larger groups can only dream of.

Myaing, Myanmar

TRAVEL FOR GOOD

05

Travelling as a family is a fun way to make a positive difference in the world. From a meal made with produce grown on a family-run farm to visiting an elephant rescue centre, when your family travels with us you know that your journey is giving back. Don't just take our word for it – as the world's first travel B Corp, we follow strict ethical standards on sustainability, supply chains and social responsibility.

HOW WE *Travel*

Travel has the power to expand minds, both young and old. But when there are language barriers to overcome, borders to cross and cultural differences to navigate, you can spend a lot of energy just getting from A to B. Intrepid's family adventures allow you to make the most of your precious time together. Leave the stressful bits to us and focus your energy on sharing the family experience of a lifetime.

Essaouira, Morocco

THE ICONIC AND THE UNEXPECTED

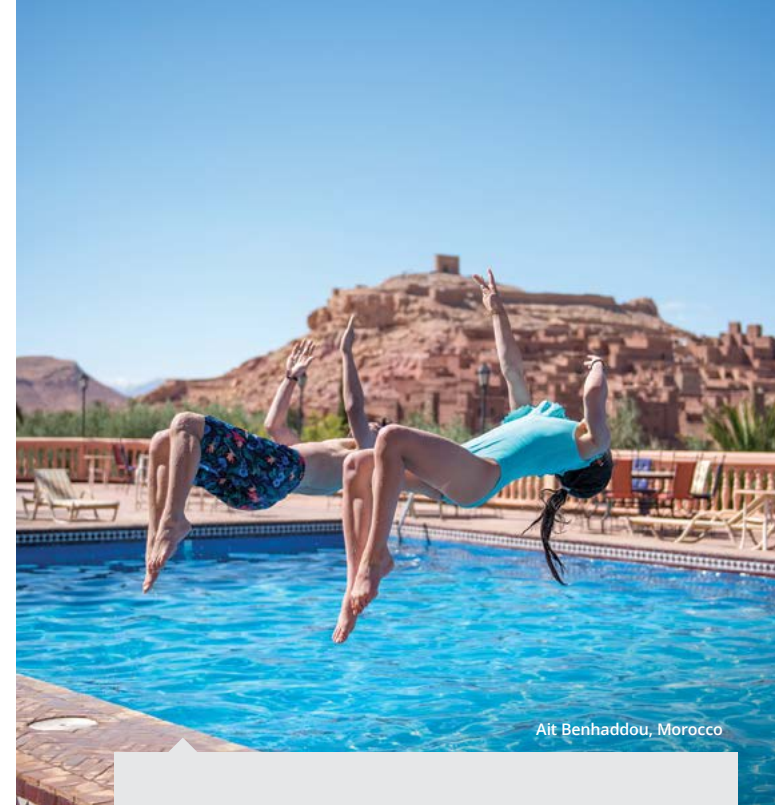

Sure, exploring the pyramids with your kids is incredible, but so is finding yourself in the middle of a village football game or making traditional kites with Sri Lankan craftspeople. Our trips combine the iconic with the unexpected to give your family genuine insight into local life.

AUTHENTIC FOOD

Food is a great entry point to a new culture, whether you're making bread in an earthen oven during a Berber homestay or watching your kids help a local Yangshuo chef select produce for dinner at the market, our trips include food experiences that enhance your adventure and give your family a taste of the local flavours.

Mexican tacos

Ait Benhaddou, Morocco

STAY REAL

We pick accommodation that gives you a real feel of the country you're in, while remaining family friendly. Like spending the night on a traditional junk boat in Halong Bay or a homestay with a family on a floating island on Lake Titicaca. No matter where we stay, we always choose locally run accommodation.

GET AROUND, GO DEEPER

We supplement the use of private vehicles with local transport when possible. It's better for the environment and a great way to immerse your family in another culture. From overnight sleeper train adventures to cruising the Nile on board a traditional felucca, we choose ways to get you there that take you deeper.

Vietnam train

Aroumd, Morocco

LOCAL CONNECTIONS

By sharing laughter, stories and adventures with local people, you and your kids can learn about different ways of life, together. More importantly, you'll find common ground. We believe experiences like hanging out with Maasai warriors around a campfire or spending time on a Mexican hacienda help to raise the next generation of socially conscious explorers.

Why do A FAMILY TRIP

WITH INTREPID

Intrepid's family adventures are a chance to travel the world with the centre of yours. Take your education outside the classroom to places where textbooks come to life, every local is a teacher and the most important lessons aren't necessarily planned. From the preserved history of Pompeii to Morocco's wild, windswept dunes, these global adventures are the perfect way to inspire the next generation of global citizens.

DESIGNED JUST FOR FAMILIES

Forget crammed schedules and sweaty dashes to the train station. These holidays are designed specifically for families, featuring well-paced itineraries with engaging activities and plenty of free time to explore together.

SAFE, SHARED EXPERIENCES

We get that parents and kids want different things out of a holiday, so our itineraries include cultural experiences and active pursuits with safety at the forefront. Best of all, travelling with other families means there'll be other adventurers, both young and and... well, slightly older, to share the journey and memories with.

FAMILIES OF ALL SHAPES AND SIZES

Whether you're a large family, solo parent, grandparent or single-child family, it can be stressful organising a holiday that'll please everyone. We cater for every sort of family so sit back and we'll take care of the logistics, from activities to accommodation, while you spend more time with your kids and like-minded parents.

GLOBAL CITIZENS

Exploring the globe through adventure travel contributes to the development of worldly young people. Whether it's sharing a meal with a local family during a homestay, learning about conservation on a Kenyan game drive or getting to know other travellers, these Intrepid Family Adventures promote education through experience, which will continue to benefit your kids long after they return home.

CHOOSE YOUR STYLE

Every one of our trips has a particular style. It's a way to help pick the adventure that best suits you, whether you're after just the essentials, a whole bunch of inclusions or a little bit of both. The choice is yours.

BASIX

You'll find Basix trips in the Africa section of this brochure. These safari trips involve an element of camping, though almost every site will have facilities available.

ORIGINAL

These are the trips we've built our reputation on! A mix of included activities and free time, using centrally located hotels that'll have your family in the thick of the action when you want to be, and relaxed resorts away from the crowds when you need it most. There's some meals on us and the chance to follow your nose.

COMFORT

More inclusions, cushier accommodation and a more relaxed pace – comfort trips are adventure travel with some of the rough edges smoothed away.

TRIPS FOR TEENAGERS

Our teenager trips have been specifically designed to keep young people engaged and having a good time (along with their parents). Whether it's hiking the Inca Trail or rafting in Croatia, these trips include an element of physical activity and offer challenging itineraries to keep older children occupied.

FAMILY CYCLING

There's nothing better than an action-packed adventure to keep the kids entertained and challenged. That's why this year we've introduced our brand new family cycling trips. There's no better way to get closer to a country than weaving through villages and wheeling down hills, with nothing – no phone screen, no bus window – between you and the world.

PHYSICAL RATING

Each of our trips has a physical rating, so you can tell how exerting a trip is and how fit you'll need to be to enjoy it. As a guide:

- Easy and relaxing
- Bring your walking shoes
- An average level of fitness required
- Action-packed, physically demanding
- Full-on active adventure for the more agile traveller

MEET YOUR *Leaders*

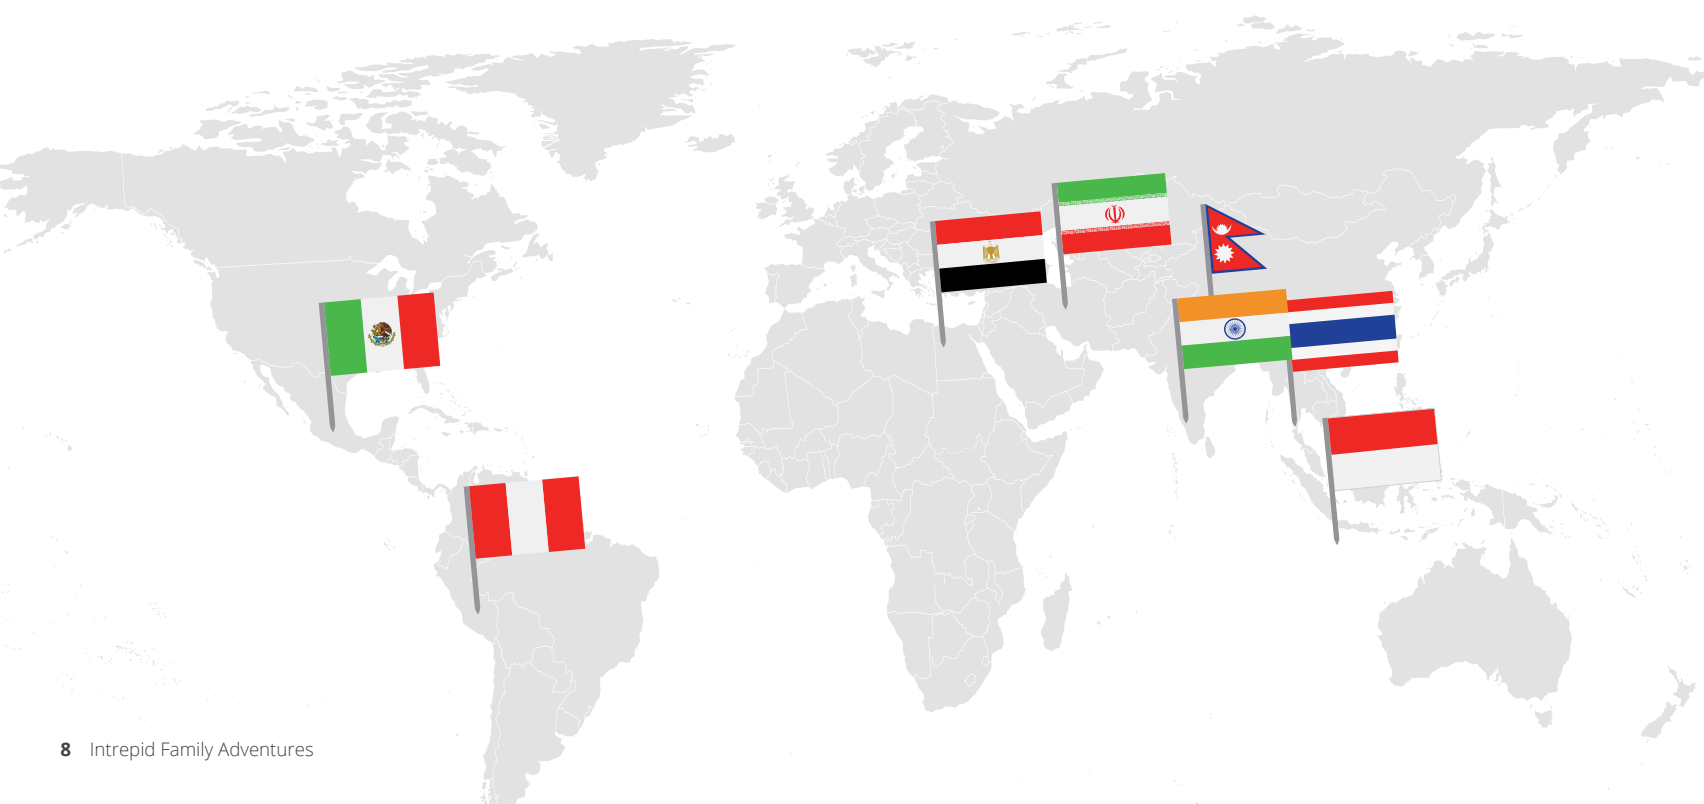

Our award-winning leaders are a diverse bunch with one thing in common: a passion for their part of the world. Here are just some you might meet on your travels.

Whether she's taking travellers to the best pad ka prow stall in Bangkok or the floating markets of Amphawa, Sasha helps people really connect with Thailand with her signature warmth and local knowledge. What matters most to Sasha is being kind and open, having fun, and providing her groups with an awesome experience of Thailand.

She's a friend and a translator, a problem-solver and that all-important link between being a traveller and a local. And while she loves being able to travel all over India, Ankita's favourite thing about leading for Intrepid is meeting new people and having different conversations every day. Her other fave thing? Introducing travellers to her most-loved Indian food: vegetarian thalis, a platter made up of curries, pickles, rice and bread (and watching them try to finish it!).

We're the WORLD'S BIGGEST TRAVEL B CORP

In 2018, we made our commitment to doing good official when we became the world's largest certified travel B Corp. OUR MISSION

Be the best

for the world

Animal welfare

In 2014, we became the first global tour operator to ban elephant rides on our trips after we funded eye-opening research by World Animal Protection.

Gender equality

In 2017, we committed to doubling our number of female leaders by 2020; since then, we've grown from 150 to over 300 female leaders globally.

Ending modern slavery

Last year, we campaigned for laws that recognised orphanage tourism as a form of modern slavery. In 2016 we removed orphanage visits from all of our itineraries.

Community-based tourism

Responsible, community-based tourism is good for travellers and locals alike. That's why we work with organisations like ActionAid to develop projects that empower communities.

TRAVEL WITH IMPACT

We don't think travel should cost the earth, and we see it as our responsibility to help protect the planet we love to explore. We've been carbon neutral since 2010, and we offset the carbon emissions from our global business offices and our trips by supporting various projects all over the world.

BE THE CHANGE

Since 2002, The Intrepid Foundation has been offering travellers a tangible, transparent way to give back to the communities we visit. It's simple: you donate, we double your contribution, and then we give 100% of that money to a community-based project. Thanks to you, we've donated over AU \$7 million to more than 130 local organisations around the world, helping to improve the livelihoods of vulnerable individuals and communities through sustainable travel experiences.

TRAVEL TALES FROM THE JOURNAL

TRAVELLER TALE

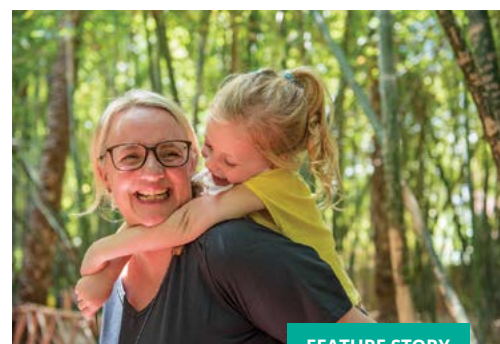

I'M 13 AND I'VE VISITED 45 COUNTRIES; HERE'S WHAT IT'S TAUGHT ME

Imagine waking up to a breathtaking view every day. That's what it's like for me when I travel. I've been travelling for as long as I can remember. When I was five, my family took me to Peru. And when I was six, we went on a trip around the world. We visited 29 countries that year alone. Every day I learned something new.

Before we left on our first trip I was very timid. If we went to the playground I would hide behind my mother's leg instead of playing with the other kids and I wouldn't say what I wanted to. During the trip, I realised that if I didn't talk to others, I wouldn't make any friends. In time I was telling my family what I wanted to see and do, instead of cruising with what my brother wanted or what my parents wanted.

We all need a little destination inspiration, which is why your next stop should be The Journal, Intrepid Travel's award-winning blog. Written by travellers, for travellers, The Journal is filled with travel advice, inspiration, stories, city guides and more. Want to know what it's like to walk along the Great Wall of China with your family, how to get kids ready for travel, or what a 12-year-old will enjoy about Morocco? You'll find it on The Journal. intrepidtravel.com/adventures

FEATURE STORY

6 WAYS TO PREPARE YOUR CHILD FOR A TRIP

When getting ready for a trip, we don't often think about getting the kids prepared, do we? Happy kids make happy parents, so the destination and what you do there is important. Here are 6 practical tips – that don't take up a lot of time – to ensure the kids are ready.

1. Learn the lingo. A great way to immerse yourself and your child into the local culture is teaching them some key sayings in the local language ahead of time. You will feel such joy (and pride!) when your child says "sawadika" to local hotel staff upon check-in in Thailand or "terima kasih" when someone gives your child a meal in Borneo.

TRAVELLER TALE

WHAT A FAMILY TRIP TO MOROCCO IS REALLY LIKE, ACCORDING TO TWO KIDS

Last year, with their parents and two other families, Rosa (12) and Jack (14) travelled on Intrepid's 8-day Morocco Family Holiday. What did they have to say about it?

What was it like travelling with other kids?

Rosa: Well, it was great fun travelling with other kids because they became like best friends. We would sit together on the bus, play together in the pool, and talk about the same things. I enjoyed hanging out with my parents too.

Jack: It was much more fun, since we had the same interests and got to share experiences together. But personally the best part was travelling with my sister and my Mum and Dad. At home, they are always in a somewhat stressed mood – it was nice to see them have fun and relax with their new friends. Rosa is much different. On this trip she's more energetic and fun to be around. I feel like I got to see my family in a new light in Morocco!

THINGS I'LL NEVER FORGET ABOUT MY INTREPID FAMILY HOLIDAY IN THAILAND

BY AMMY HOBSON (AGE 11)

I was so excited to have an adventure in Thailand with my mum, but I couldn't imagine what it would be like or how I would survive such a long plane trip. But I did it and it was amazing. Here are some things I will never forget.

1. Bangkok khlong cruise It was quite mesmerising because we saw the local Thai people's houses going by and it was different than where we live in Melbourne. After a while we found ourselves in a lock where they had to raise the water levels, then we went to see the reclining Buddha – it is quite a sight!

2. Erawan Falls Going to the waterfalls was one reason I wanted to go on this trip. And swimming in the second level is amazing. Warning: Fish alert! They will try to bite your feet and it really tickles.

3. Elephant Nature Park These enormous creatures are very big and very beautiful. We met lots of elephants and their buddies and got to feed some bananas to them. It's not scary feeding them, you just put it in their trunks.

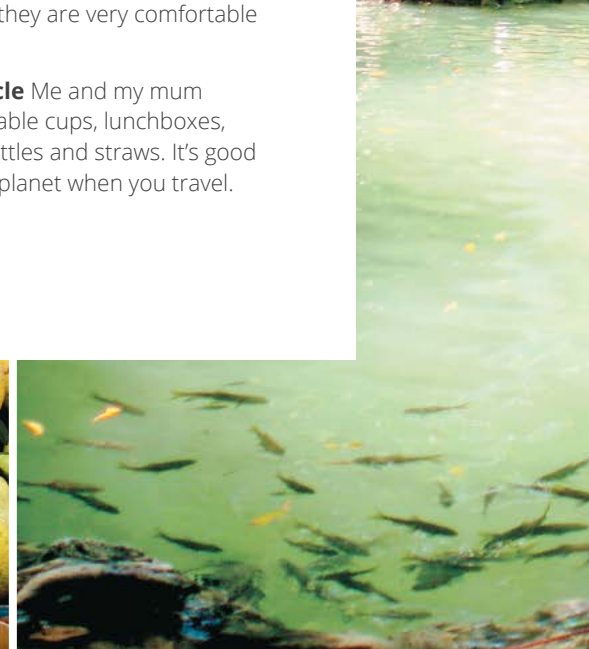

4. Village Homestay Our hosts didn't speak any English so we used Google translator. It was fun, even though it didn't always make sense. In the evening we learned a hilltribe dance and all joined in. The next day we went on a jungle walk where I ate LOTS of sticky rice and sweet potato wrapped in banana leaves. YUM.

AMMY'S TOP PACKING TIPS:

Don't pack too much It's so much easier to carry just a little suitcase and a backpack with you.

Buy elephant pants They are really good for temples because you can put them over your shorts. Plus they are very comfortable and pretty.

Reuse and recycle Me and my mum brought our reusable cups, lunchboxes, utensils, water bottles and straws. It's good to try to help the planet when you travel.
