PANAMA CANAL, PANAMA

**THE “PATH BETWEEN THE SEAS.”** Stretching from Colón to Panama City, the Panama Canal was built by 65,000 men over a 20-year period. The French began the massive project in 1881, but stopped work as the mortality rate of workers increased and engineering problems arose. The United States took over the project under Theodore Roosevelt. When completed in 1914, the canal was hailed as one of the world’s great engineering feats. Forty-eight miles

long, it crosses the narrowest stretch of the Isthmus of Panama, cutting thousands of miles off shipping routes that once stretched all the way around Cape Horn at the tip of South America. Crossing this manmade wonder through the heart of Panama, your ship will be raised and lowered through enormous locks at each end and you will enjoy a scenic cruise on the manmade, 21-mile-long Gatun Lake.

**COZUMEL'S MAYAN & TOLTEC PAST.** Located off Mexico's Yucatán Peninsula, the island of Cozumel boasts a rich Mayan and colonial past. Explore the colourful streets of San Miguel or visit Mayan and Toltec ruins of San Gervasio to gain insight into the island's ancient beliefs and customs. View the scenic lighthouse at Punta Sur. Or join snorkellers at Cozumel Reefs National Marine Park, the second-largest coral reef system in the world.

**COLOMBIA'S TREASURE.** With its scenic setting on the Caribbean Sea and intact colonial city, Cartagena is a cultural treasure. Its extensive fortifications, the longest in South America, once kept marauding pirates at bay. Lining the many plazas, beautifully preserved buildings boast colourful balconies, a hint of the vibrancy you will witness throughout the city. Visit the church of San Pedro Claver, named for the patron saint of missionary work.

**TROPICAL BEAUTY & HISTORY.** The Hawaiian islands of Kauai and Oahu are home to crystal waterfalls and lush rainforests that beckon the adventurous to explore the likes of Waimea Canyon, the "Grand Canyon of the Pacific," and Mt. Wai'ale'ale, the wettest place on Earth. At historic Pearl Harbor, learn about the events of December 7, 1941 at the USS Arizona Memorial, which commemorates those who lost their lives on that fateful day.

**SOUTH SEAS PARADISE.** One of the world's most visually stunning and romantic destinations, Tahiti is the cultural hub of French Polynesia. Its dramatic mountains skirted with swaying palms strike a breathtaking pose in shimmering Pacific waters. Immerse yourself in Papeete's continental flavour. Admire the Cathedral of Notre Dame and browse the vibrant market for shell necklaces, brightly coloured sarongs and the island's emblematic gardenia, the tiaré.

SYDNEY, AUSTRALIA

**CULTURAL CAPITAL OF "OZ".** Celebrated for its magnificent natural harbour the world's largest, Sydney was founded as a penal colony in 1788. Since, it has grown from a colonial settlement into the major cultural centre of Australia. During an overnight stay, you will experience firsthand the all-embracing welcome of Sydneysiders and one of the world's most free-spirited cities.

Admire the cultural jewel in Sydney's crown, the Sydney Opera House, the iconic UNESCO Site nestled harbourside like a gleaming white bird taking wing. Stroll the adjacent Royal Botanic Garden, one of the world's most important horticultural institutions. Explore The Rocks, a district named for the sandstone from which its original buildings were made. Today, its historic streets are complemented by craft shops and markets.

INTERNATIONAL DATELINE CROSSING

**CRUISE INTO THE FUTURE.** Experience a time-honoured travel milestone, celebrated by sailors as a rite of passage, marked by ceremony. The International Date Line is an imaginary line that passes from the North Pole to the South Pole and is used to designate the start of each day. Sailing west across this line in the Pacific Ocean means that you will effectively “cruise into the future,” as you skip a day. Enjoy a toast on board to mark this momentous occasion.

AUCKLAND, NEW ZEALAND

**AMAZING AUCKLAND.** Boats dot the harbours of Auckland, the “City of Sails,” proud home to America’s Cup racing yachts. This maritime city is set on a narrow portion of New Zealand’s North Island and surrounded by large harbours. Waitematā Harbour is the city’s best-known body of water; the also sizeable Manukau Harbour lies on Auckland’s opposite side. Geographically, each is nearly encircled by protective land, with only a narrow entrance from the sea.

GREAT BARRIER REEF, AUSTRALIA

**A DAZZLING MARINE WONDERLAND.** The world’s largest coral reef system, Australia’s Great Barrier Reef stretches some 133,000 square miles along the continent’s northern coast. This magnificent natural structure, a UNESCO World Heritage Site, comprises about 2,900 individual reefs and 900 islands. During your call in Cairns, you may choose to venture out and witness its displays of vividly hued coral and abundant marine life up close.

KOMODO DRAGON, INDONESIA

**KOMODO’S FAMED DENIZEN.** Legend surrounds Komodo’s most famous resident. During your visit, you will be on the lookout with a guide for the island’s namesake “dragon,” *Varanus komodoensis*. The largest lizard in the world, the Komodo dragon can grow up to ten feet long and weigh as much as 150 pounds. The creature is protected within Komodo National Park, often seen as a real-life Jurassic Park for its unspoiled beauty and primitive inhabitants.

BAGAN, MYANMAR

**ANCIENT CITY OF BAGAN.** Capital of the Kingdom of Bagan from the 9th to the 13th centuries, this prosperous city had more than 10,000 Buddhist temples and monasteries constructed on its nearby plains, drawing Buddhist pilgrims from as far away as India and Ceylon. The remains of some 2,200 of these comprise the Bagan Archaeological Zone. Highlights include Shwezigon Pagoda, Ananda Pagoda and the Tharabar Gate.

After explorer Marco Polo visited Bagan around 1275 AD, he wrote, "They make one of the finest sights in the world, exquisitely finished, splendid and costly. When illuminated by the sun they are especially brilliant and can be seen from a great distance." Bagan's golden age ended when Kublai Khan's forces invaded in 1287. For centuries the city was nearly deserted, but Burmese people returned during the British colonial period and have maintained the site ever since.

JAVA, INDONESIA

#### **JAVA'S COLOSSAL MONUMENT TO BUDDHA.**

Nestled amid Java's tropical landscape of mountains and volcanoes, Borobudur is the world's largest Buddhist monument. This magnificent pyramidal temple, a UNESCO World Heritage Site, towers at a great height. Pilgrims from all over the world walk up a clockwise path to the pinnacle, passing 2,672 reliefs and 504 Buddha statues along the way. You may choose to visit it, too, during your call at Semarang.

HO CHI MINH CITY, VIETNAM

#### **A BLEND OF CULTURE & COMMERCE.**

The bustling metropolis of Ho Chi Minh City seamlessly blends historic and contemporary elements to create its unique identity. French-style architecture from the colonial era can be seen throughout the city, including Notre Dame Cathedral's looming twin towers and Reunification Palace's stately facade, while its downtown area is a vibrant hub of modern commerce carried out beneath the gaze of 21st-century skyscrapers.

SINGAPORE

**BUSTLING ISLAND NATION.** Spread across 63 islands at the tip of the Malay Peninsula, Singapore is the world's only island city-state. The city was established in 1819 for the East India Company by Sir Stamford Raffles, after whom the famed hotel is named. Technology and economy are highly advanced here, yet the islands host plentiful parks. Your overnight stay allows you to take in its sophisticated wonders, including the stunning National Orchid Garden.

MUMBAI, INDIA

**MUMBAI TREASURES.** A blend of Indian traditions and Portuguese and British influences, Mumbai is bursting with colour and culture. A canvas of brilliant architecture, the enormous Gateway to India greets you at the harbour's edge. Even more vast in scope and ornate in design, Chhatrapati Shivaji Terminus is a celebrated UNESCO Site, blending High Victorian Gothic and classical Indian palace styles. The city was home to India's most famous son, Mahatma Gandhi.

VATICAN CITY

**EMBRACING THE HOLY SEE.** The sovereign enclave of Vatican City, long nestled in the heart of Rome, houses some of the world's most transcendent masterpieces. You are sure to be astonished by St. Peter's Square, a vision in travertine and marble. Here, the Pope can address up to 80,000 followers. The square looks on the massive St. Peter's Basilica, the most celebrated building of the Renaissance.

For all its sweeping glory, the Vatican's details also send the spirit soaring. In the Vatican Museum, admire the Sistine Chapel's *The Last Judgment*, famously painted on the ceiling in lush strokes by Michelangelo. Browse the Gallery of Maps, depicting the cartography of Italy along a stunningly decorated 400-foot-long corridor. And mingle among the Gallery of Statues, a who's who of Hellenic and Roman deities and heroes.

### **A BEGUILING PINK CITY CARVED FROM STONE.**

The ancient city of Petra dates to 1200 BC. After a colossal earthquake, the city was abandoned and lay undiscovered until 1812. During our call on Aqaba, Jordan, you may discover it, too. Of all Petra's haunting colossal remains, the iconic Treasury strikes the most dramatic profile with its two-story colonnaded facade. Sheltered from windblown sands at the end of a narrow gorge, it has been pristinely preserved.

### **HARMONIOUS GARDENS.**

A magnificent emblem of the Bahá'í faith, which embraces the spirituality of all things, the Hanging Gardens of Haifa slope down Mount Carmel. Its 19 terraces were inspired by elements of Persian, Nishat Bagh and English gardens. You can spend an entire afternoon strolling the lovely flower-lined pathways, marvelling at stunning views of Haifa and the Mediterranean, and admiring the symmetry of this perfect hillside garden.

**ISLAND OF KNIGHTS.** Millennia ago, visitors were welcomed to Rhodes by the Colossus of Rhodes, a towering statue of the sun god Helios. Today, travellers are greeted by another enormous landmark: the 14th-century Palace of the Grand Masters. A UNESCO Site, the medieval Knights of St. John of Jerusalem built the fortress upon conquering the island. A stroll down the heavily fortified Old Town's Street of the Knights leads you to this masterwork.

**A STROLL INTO ANTIQUITY.** One of the world's best-preserved cities, Ephesus offers an unparalleled look into the world of ancients. The colonnaded facade to the towering Library of Celsus is an awe-inspiring sight, as is the ancient amphitheatre which once held 25,000 spectators. Ephesus also holds an important place in Christianity. Here, St. John is said to have preached and Mary to have lived out her final days in a tiny stone house.

BARCELONA, SPAIN

**BARCELONA'S EASYGOING SPLENDOR.** Kissed by Mediterranean breezes, Spain's Catalan capital is a feast for the senses. Wide boulevards lined with stunning and whimsical architecture set the tone for a city that moves to its own tempo. Our overnight stay here gives you time to linger over small-plate tapas, a glass of bubbly cava and the magical buildings and parks of architect and favourite son Antoni Gaudí. Life slows down to a siesta pace

along Las Ramblas boulevard, the famed pedestrian-only thoroughfare lined with cafés and shops. Step into a tapas bar to partake in a long-cherished Spanish tradition, sampling small plates such as *calamares* and *croquetas*. You will quickly embrace this convivial style of dining, bursting with flavor and overflowing with the warm friendliness for which Spaniards are known.

**INTOXICATING ISTANBUL.** Istanbul exudes a heady mix of Western and exotic cultures. One of the city's most stunning centrepieces is Hagia Sophia. Founded as a basilica, during its history it has been a museum and an active mosque featuring exquisite mosaics and frescoes. For a taste of Turkish culture, visit the Grand Bazaar, the world's largest covered market. Wander among its selection of carpets and fabric, and sample luscious dates or the local favourite Turkish Delight.

**NEOPOLITAN GASTRONOMY.** Naples boasts a distinctive cuisine all its own. Seasonal produce features prominently, particularly such New World imports as peppers, beans, potatoes and tomatoes. Meat dishes often use sausage or pork liver. And classic Neapolitan desserts include *sfogliatelle* (a filled layered pastry) and *pastiera* cheesecake (made with ricotta and wheatberries). During your time here, be sure to sample these regional favourites.

**THE RIVIERA'S GEM.** The chic city of Monte Carlo in the petite kingdom of Monaco boasts some of the world's most exclusive shopping and a beautiful old port. Throughout this city and at the Prince's Palace, take in the fairy-tale setting of the late American-actress-turned-princess, Grace Kelly. Perhaps you will follow your nose to the legendary perfumeries of Grasse. As we stay late in port, there will be time to visit the prestigious Casino de Monte-Carlo.

**A TILE'S TALE.** Everywhere you look — from churches and palaces to train stations and park benches — Portugal is decorated with *azulejos*. Tin-glazed ceramic tiles, *azulejos* are used on floors, walls and ceilings as both a decorative and functional element. Originating from Moorish traditions, tiles are arranged in geometric patterns. In the late 17th century, Delft influenced a change to the blue-and-white portrayal of scenes from Portuguese history and culture.

# EXPLORE THE WORLD WITH VIKING

---

A Viking journey is all about exploration, and some of your most surprising discoveries are on board. Our ships are not only beautiful, but interesting, too. Our world cruise gives you plenty of time to get close to the wonderful world through which you are travelling, both in the destinations you visit and through our unique onboard offering.

# THE VIKING DIFFERENCE

*Meaningful travel, tailored to you*

**AT VIKING, WE DO NOT TRY TO BE ALL THINGS TO ALL PEOPLE.** Rather, our loyal guests continue to choose us every year because of our unique approach to ocean cruising that is defined as much by the things we include, as the things we leave out. Well-travelled and culturally curious, our guests are not interested in over-the-top ships or novel thrills, and neither are we. That's why we forgo things like casinos and black-tie dinners in favour of delivering meaningful experiences, tailored to you.

## UNIQUELY VIKING

What makes us so different? We include more, where it matters most.

### More Value

We don't underestimate the importance of good value, so we make sure to include more features and amenities in your cruise fare than other cruise lines. All meals, wine and beer with lunch and dinner, a shore excursion in every port, Wi-Fi, self-service laundries, gratuities and even access to our state-of-the-art spa are part of your Viking fare.

### More Culture

With more time in port and more overnight stays, you'll have ample opportunities to soak up the fascinating culture of every destination you visit. On board, the cultural enrichment continues with educational lectures by destination experts, enough books to fill a library, live performances and meals bursting with local flavours.

### More Space

One of the reasons our guests love our ships is because they cater to just 930 passengers. This allows every individual more personal space, including a private veranda in their stateroom, regardless of the cabin category. Our smaller ships are also naturally more nimble, so we can dock in the hard-to-reach places mega-liners can't, getting you closer to every destination.

### More Meaning

We aren't called The Thinking Person's Cruise for nothing. We know that uncovering the art, food, wine and culture of the places we visit is important to you, so we focus our energy on creating meaningful onboard and onshore experiences that linger in the mind long after you disembark.

### More Style

Our elegant Scandinavian-inspired interiors boasting beautiful blonde wood, clean lines and art-covered walls impress all who feast their eyes upon them.

# THE THINKING PERSON'S CRUISE

*Created for discerning travellers with true explorer spirits*

**THEY SAY THAT A CHANGE IS AS GOOD AS A HOLIDAY,** but at Viking we think that a holiday can inspire change. We believe travel should be more than just an escape from the ordinary, so when you travel with us you'll not only uncover some of the world's greatest riches, you'll almost certainly discover something about yourself, too.

We offer myriad ways for our guests to celebrate on board, from atmospheric bars playing live music to exotic cooking demonstrations and thrilling dance performances. But we also know that many of our guests' most treasured memories are of a much quieter nature: moments of speechless awe while walking in the steps of ancient explorers, or inner quietude while sitting on their private veranda with nothing before them but the wide, blue sea.

ONBOARD LECTURERS

SPLIT, CROATIA

## EXPLORE, LEARN, UNDERSTAND

Our itineraries have been expertly curated to provide these meaningful moments to our curious, well-travelled guests. Offering greater cultural insight and personal enrichment, we give you opportunities every day of your voyage to engage with your destination through its food, landscapes, culture and history.

Before you travel, we get your inner journey underway by providing you with materials to help you plan and anticipate your voyage. From destination-specific photography advice by professionals to filmographies that inspire wanderlust and recommended reading that informs and enlightens, we begin to broaden your horizons long before you pack your bags.

Once comfortably on board, because we know you always want to learn more, countless activities are on offer that have been designed to educate and inspire. Instead of onboard novelties, we offer world-class lectures on history and art, tastings of vintage wines, restaurant menus inspired by local cuisine and a vast selection of fascinating books, carefully curated in partnership with London's prestigious and historic bookshop, Heywood Hill.

## ART, HISTORY, CULTURE

With various cultural partnerships in place around the world including with the Mariinsky Theatre in Russia and the Metropolitan Opera, Los Angeles Ballet and Los Angeles Philharmonic in the USA, Viking also brings its guests closer to art, history and culture while on shore. You might accompany the ship's chef on a visit to a local market, step behind the scenes at a famous theatre company, tour a chocolate or car factory or view private collections and hidden vaults at world-class museums. Or, you can assist in fieldwork during expedition landings, accompany scientists to collect samples and learn photography techniques from a professional photographer.

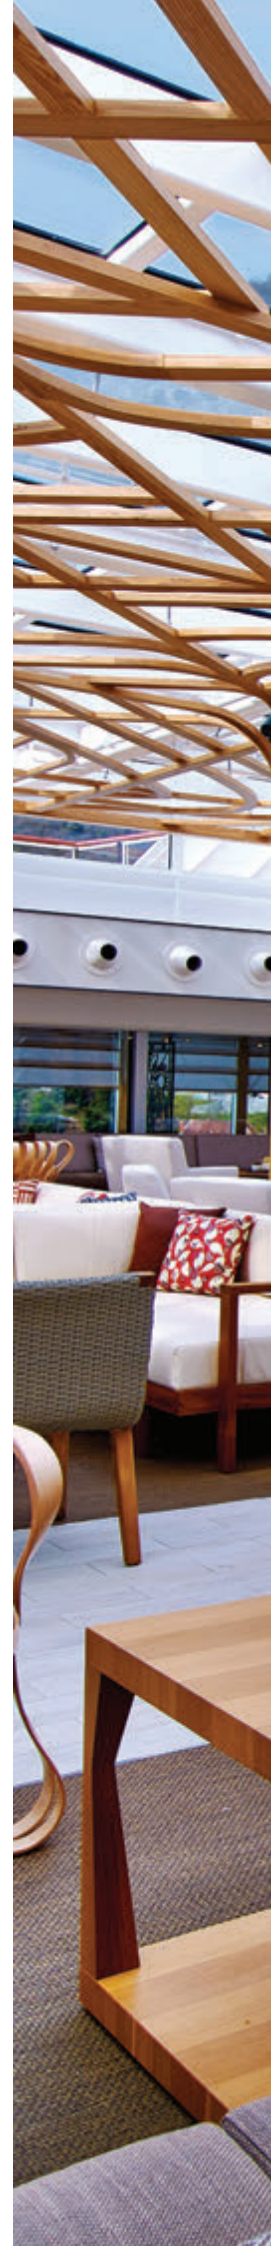

## EMBRACING HYGGE

Underneath all of this excitement and at the root of every Thinking Person's Cruise is a recognition of hygge (pronounced "hyh-geh") – a Nordic way of life. In embracing our strong cultural roots, we ensure that your inspiring Viking voyage is also one of comfort and contentment. From a peaceful cup of tea enjoyed in The Living Room to that surprising conversation sparked with a like-minded traveller while watching a movie under the stars, our aim is to help you feel more connected – to new friends and the world – on every single voyage. And with more than 250 ports across over 80 countries within reach on our fleet of Viking ocean ships, we've never been more easily connected to the rest of the world and the golden discoveries that await there.

Now that's something to think about.

*“Torstein’s 'no kids and no casinos' catchcry means his guests are adult not just in age, but also in outlook. This is a cruise for grownups.”*

# HEALTH & SAFETY AT SEA

*Ocean cruising's most comprehensive health and safety program*

**FOR MORE THAN 23 YEARS,** Viking has had the highest standards of health and cleanliness, and our new, updated protocol enhancements make travelling with Viking even safer. Developed in coordination with an international team of scientific and medical advisors, the Viking Health & Safety Program is one of the most well-researched and comprehensive COVID-19 prevention and mitigation plans in the travel industry.

## **VIKING'S SAFETY-FIRST APPROACH:**

### **PCR testing and dedicated PCR laboratories –**

As the first cruise line to install a full-scale PCR laboratory at sea, Viking has now extended this to every one of its ocean vessels. This means we can conduct quick, non-invasive saliva PCR tests every day if necessary, testing crew and guests in the privacy of their staterooms and processing the results on board. Everyone will be tested prior to embarkation, and local partners – including motor coach drivers and tour guides – will be tested before any tours.

**Improved air purification** – All Viking ships now feature short-wavelength ultraviolet (UV-C) lights and new high-density filters that sanitise the air and kill 99.99% of all airborne bacteria and viruses. Plus, enjoy fresh air in your stateroom, knowing that all staterooms on Viking ocean ships feature independent air handling units that do not share air with other areas of the ship.

**Health checks** – All guests will complete a one-minute digital Health Questionnaire developed by scientific and medical advisors prior to travel, at embarkation and every day of their cruise itinerary. Temperatures will also be checked regularly using touchless thermometers and automated thermal cameras.

**Physical distancing** – When you take an ocean voyage with us, you can expect physical distancing measures to be in place in all public areas on board, during shore excursions and on board motor coaches, with face mask use in keeping with local guidelines.

TORSTEIN HAGEN

**Crowd-free check-in** – To avoid a congested embarkation, you will be assigned a boarding time based on your flight arrival. Check-in counters on board will be spread out to ensure proper social distancing and will be sanitised between guests, with a touch-free online check-in option available. All cruise port terminals will also be sanitised prior to guest arrivals.

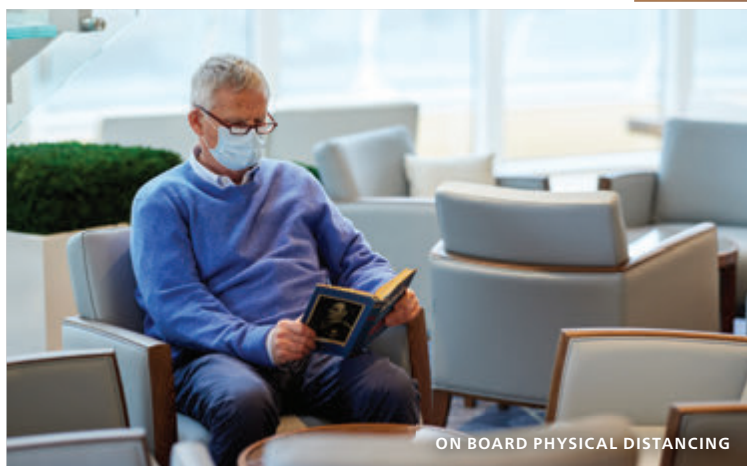

**Industry-first sanitisation** – In an industry-first, we are using new sanitisation robots that utilise UV-C light to treat surfaces in guest and crew public areas every night, while you're asleep. All surfaces on your ship and on motor coaches are continually disinfected, with daily deep cleanings scheduled and more hand sanitisation stations available.

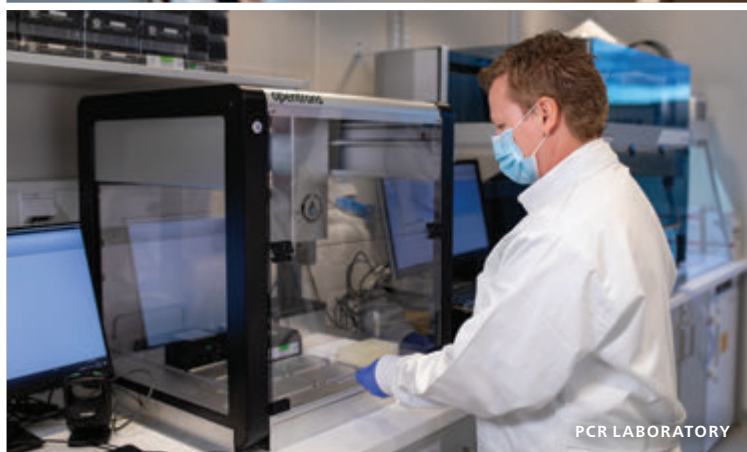

SANITISATION ROBOT

DAILY DEEP CLEANING

ON BOARD PHYSICAL DISTANCING

PCR LABORATORY

**Updated medical services** – Each of our ocean vessels has always had a state-of-the-art Medical Centre, and now these have been upgraded with even more specialised equipment.

**Safety from door to door** – For guests with flights arranged by Viking Air, the strictest health and safety protocols are in place both in the air and on the ground, where there will be smaller group transfers to and from your ship, and safe distance between passenger seats.

**The small ship advantage** – Our Norway-registered, small ocean ships feature a veranda in every room, host only 930 guests and boast numerous outdoor spaces, making the risk of disease infection significantly lower than that of the mega ships.

# SERENE SCANDINAVIAN SPACES

*Comfort in every corner. A story in every space.*

**IN TRUE VIKING STYLE**, we take a different approach to design on our ocean ships – so much so that if it weren't for the all-encompassing water views, you wouldn't know you were on a cruise ship at all. We engaged esteemed hotel designers to design and furnish our beautiful interiors, so that from the moment you step on board you will feel the same sense of serenity, warmth and comfort symbolised in the Norwegian concept of hygge. This notion of quiet contentment is in the very air of our light-filled, serene spaces, which together create a true home at sea for our guests.

## **TIMELESS STYLE**

Minimalistic, sleek and modern yet textured, warm and inviting, our signature Scandinavian style imbues every space on board, in a showcase of calming symmetry, exquisite craftsmanship and an abundance of natural materials. Our graceful rooms are equal parts beautiful and functional, and our public spaces are the perfect expression of a timeless design approach that is loved the world over.

## NORDIC INSPIRATION

With inspiration pulled from the exploratory spirit of the original Vikings, you'll encounter our Nordic heritage in every storied space on board our ocean ships. Clean lines, warm blonde joinery and touches of slate nod to our forbears' connection to the natural world, while leather and colourful woven textiles recall the patterns of early Norwegian craftsmen. A clinker-built bar pays tribute to the Viking longships of yesteryear; the Explorers' Lounge is a display of cozy pelts, Turkish marble, amber and pewter inspired by far-reaching trade journeys; and soothing, natural Swedish limestone and fragrant juniper wood abound in the LivNordic Spa.

*"The most fabulous ship I've ever been on is Viking Orion... I love the Scandi look with clean lines, light woods, woven textiles and an abundance of natural light. There's a glass-backed infinity pool offering views across the sea, and the huge windows and skylights in the indoor areas. They have made the ocean the hero."*
