In many suites, you can sleep in and wake up to a continental breakfast or enjoy some quiet time with a cooked-to-order dinner in your suite.

On Land

Haute cuisine is served within Michelin-starred restaurants, while local produce is devoured at family-owned estates. Croatia Yacht Cruising

Discover Croatia's beautiful Adriatic Coast aboard the luxurious cruising yacht MV Lady Eleganza. Stay overnight in port after the crowds have gone, to see the real Croatia and Montenegro.

MS Hebridean Sky

Small Ship Expedition Cruising

Welcome aboard the MS Hebridean Sky. The advantages of cruising on such an intimate vessel are numerous, from smaller group sizes on excursions to no queuing when you disembark in port. Plus, thanks to its shallow draught, it is able to slip away from the pack, into remote coastal towns or shallow waters, providing far greater potential for real adventure.

Small in Size, Big on Comfort

A contrast to traditional cruise ships, the Hebridean Sky accommodates no more than 114 guests and has one of the highest crew-to-passenger ratios. This small ship is equipped with the latest safety, navigation and communications equipment, as well as roll stabilisers to minimise motion.

Shore Excursions

With 10 Zodiac vessels on board you'll always be within an inch of the action. Don your boots, head down to the lower deck and jump aboard with your expedition team for a ride of your life.

The Suite Life

Every suite features Molton Brown amenities, ocean views, a sitting area and plenty of space. They are at least 20 square metres, which is almost twice the size of suites on other ships of a comparable size. In addition, a large number have their own balconies.

Leaders in Small Ship Expedition Cruising

The MS Hebridean Sky offers the best in Small Ship Expedition Cruising so you can relax in your first-class home on the ocean after each day of unforgettable sightseeing on your incredible North Atlantic voyage.

Glossary

Clarifying the intricacies of a journey to Europe with APT.

a

Adaptors & Electricity

Electricity is 220V on board our river ships throughout Europe, along with the MV Lady Eleganza and L'Austral. The electrical outlets on the MS Hebridean Sky is 110V. A European plug adaptor is necessary for appliances from home.

The use of personal hairdryers (there is a hairdryer in your suite), clothing irons, curling tongs, etc. in your cabin is strictly forbidden as they may damage the ships' electrical system. Outlets are able to charge items such as phones, tablets and camera batteries.

Allergies

If you have a food allergy or another condition that needs to be managed on tour, please advise your booking agent as soon as possible, as most suppliers require advance notice to accommodate this. In some cases you might be asked to fill out a form or waiver.

Air Conditioning & Heating

All suites on board our ships have individual climate control.

Audio Guides

Each guest will have an audio headset on tour. During excursions, these lightweight headsets allow you to hear every word of your local guide's commentary. On board your river ship, this device also delivers commentary on the places you're cruising past.

C

Climate

The climate of most of Central and Eastern Europe, including southern Scandinavia, is categorised as cool-summer humid continental. As in Western Europe, summers are mild, but winters are significantly colder, with snowfall a common occurrence in certain locations.

As weather patterns can vary significantly depending on time of year and destination, please refer to www.climate-zone.com for current weather information.

Coaches

Coaches used on our Classic Journeys have additional legroom, or are 40-seater coaches, and feature an onboard toilet and complimentary wi-fi internet. On our Small Group Journeys, our luxury coaches have no more than 40 seats and are equipped with complimentary wi-fi internet. As coaches use a satellite system for wi-fi internet, routing may cause reception to be restricted at times. Complimentary wi-fi internet is not available on our Grand City Stays.

Currency

In Europe, the currency on board MV Lady Eleganza, L'Austral and our river ships is the Euro. The currency on board the MS Hebridean Sky is the British pound sterling (GBP). For your convenience, all purchases and paid services on board our river ships are billed to your shipboard account. At the end of the cruise, you will receive a total that can be paid with cash or credit card. The ships do not accept payments made by Diners Club cards, prepaid Visa or MasterCard, EFTPOS, Travelex cards, cash passports, prepaid cash cards or travellers' cheques.

For the most up-to-date exchange rate and currency information, please check with your bank, or visit www.xe.com (universal currency converter).

d

Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings.

If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels.

When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply.

In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held.

APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions as per brochure. This does not replace travel insurance, which we strongly recommend at the time of booking.

Dining

All meals on board your cruise are included. Meals are served in the restaurant in a single sitting. No table reservations can be made in the main restaurants, however once on board our river ships, guests have the option of making a reservation at the Chef's Table Restaurant.

On board our river and ocean ships, enjoy a full buffet breakfast each morning in the main restaurant. Lunch consists of salads, soups, and a choice of entrees, mains and desserts. Dinner is a multi-course meal also presenting a selection of entrees, mains and desserts. Casual or alfresco dining is also available.

On board our luxury yacht cruises in Croatia, enjoy a buffet breakfast each morning, and relaxed lunches and dinners with menus featuring locally sourced fresh food including seafood. Meals are served in the indoor restaurant or when weather permits, in the covered area of the Sun Deck.

On land, a full buffet breakfast is included each day. Selected lunches and dinners are also included as indicated on itinerary pages.

Vegetarian and gluten-free options are available on cruises – please notify APT of any special dietary requirements when making your booking.

Disruption to Cruising & Itinerary Arrangements

Itineraries are subject to alteration without notice and are intended as a guide only. Although every effort will be made to keep them as they are shown in the brochure and final documents, deviations to the planned cruise/touring itineraries and hotels are possible due to road, river or weather conditions, strikes, or other reasons beyond our control. Should conditions render cruise/land touring routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation not on the docked ship and/or substitute touring arrangements.

Dress Code

The dress code on our cruises and tours is relaxed. Light, comfortable clothing is ideal for during the day, but smart casual clothing for evenings on board the ship is recommended. You may wish to bring something a little dressier for the welcome and farewell dinners and any special events such as the visit to Nymphenburg Castle, however there will be no black tie or formal evenings.

We highly recommend that you pack a variety of light to medium weight clothing, plus rain-wear in case of cooler or wet weather. Layers are a good option to cover a range of temperatures and to suit changing conditions. Comfortable footwear is imperative, as some excursions involve walking on steps or ramps to embark/disembark.

If your sightseeing includes churches, monasteries, mosques or synagogues, dress casually, but keep your clothes clean and ensure sufficient body cover (for example, cover your shoulders and wear trousers or a knee-length dress).

e

Elevator

In Europe, an elevator is located on all ships. However, the Piano and Sun decks are not accessible by elevator on Aria and Concerto river ships. All decks are accessible by elevator on the MS AmaMagna and MS Estrela except the Sun Deck.

Entertainment

Onboard entertainment varies for each ship and depends on the region and the availability of performers.

f

Freedom of Choice Inclusions

Freedom of Choice Inclusions are included on APT holidays as indicated throughout itineraries. Minimum and maximum group numbers may apply on some activities. Due to poor weather and/or venue closures on some dates, some options may not be available as listed. For your convenience, all options will be booked while on tour with your APT Cruise or Tour Director. They will be able to provide you with further information. If your first choice of option is unavailable, you may be asked to choose an alternative.

g

Gratuities

Gratuities are included for all Cruise or Tour Directors, cruise staff, local guides and drivers on all APT holidays. Gratuities cannot be redeemed for a cash refund.

h

Hotels

The official check-in time at hotels in Europe is 3pm local time but where possible, the hotel will try to have your room available earlier. If your flight arrives in the morning, luggage can be dropped off at the hotel before check-in and delivered to your room later. You will be required to present a credit card upon check-in to cover incidentals. If you do not have a credit card, a monetary deposit in local currency may be required. Amounts differ for each hotel. Normal check-out times vary, but are usually at 11am or noon. If you have a late afternoon or evening flight, most hotels have a luggage room where you can store your luggage until you depart for the airport. Please note that some hotels have a shower over the bath.

Housekeeping

On board your cruise, our housekeeping staff will attend to your suite twice daily – once during the day and again with a turndown service in the evening. Reception can be contacted 24 hours a day for any additional housekeeping requests.

i

Infotainment System

All staterooms and suites on our European ships feature a flat-screen television with English-language programs, box office movies, classic films and the ship's information channel.

Internet & Wi-Fi

All ships offer wi-fi in staterooms, suites and public areas. Remember to take all logins and passwords with you to enjoy easy access to your favourite websites. As all ships use a satellite system, routing may cause reception to be restricted at times. Connection speeds are slower than on shore. There are no printers available on our ships.

Complimentary wi-fi internet is available in many hotel guest rooms. When such a service is not available, complimentary wi-fi internet is generally available in public areas of most hotels. Complimentary wi-fi internet is also provided on board our coaches, with the exception of Grand City Stays. Wi-fi internet on the coaches uses a satellite system and as a result, the connection will be slower than standard broadband and at times may not be available.

l

Language

The official language used by APT staff worldwide is English. All staff, crew and local guides speak English throughout Europe. For your convenience, all guided tours, announcements and lectures will be presented in English.

Laundry

Laundry services are available on board and price lists will be available in your suite. Clothes cannot be dry-cleaned on board river and ocean ships. Self-service laundry facilities are also not available. For safety reasons, it is not permitted to use an iron in your suite. In select suites on APT Europe River Cruises, we offer a complimentary laundry service (see Butler, Laundry & Room Service).

Library

Our ships have a collection of books and games available for guests to borrow free of charge.

Lounge

All ships feature a large, comfortably furnished main lounge which serves as a gathering place for port talks, lectures and entertainment. The bar and self-service tea and coffee station are located here.

Luggage

As a general rule, airlines permit passengers in economy class to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). We advise you to contact your airline carrier or travel agent for specific information prior to departure, as size and weight limitations may vary and are subject to change. Each passenger is entitled to take one piece of luggage on your tour that does not exceed the above specifications. Please limit your hand luggage to one bag that fits under your aircraft seat or in the overhead compartment.

m

Maps

Maps within are indicative only and are not to scale.

Medical

Medical services are not available on our river ships as there are no medical personnel on board. Medical services can be called from shore, as ships are usually close to a town. Should personal medication require refrigeration, it can be stored in the ship's galley.

p

Physical Fitness

APT cruises and tours are not physically demanding, however because of the nature of many of the sites you will be visiting, some tours will require a good level of fitness and health to participate. Some trips may not be appropriate for guests with certain medical conditions and physical restrictions. Walking tours are often on uneven ground (such as cobblestones) and may include stairs as well as steep inclines. You should be able to stand on your feet for an extended period of time to visit museums, attractions and other sites, as well as when checking in for flights and cruises and at Customs and Immigration.

R

Each ship's reception area is staffed 24 hours a day as are all hotels used throughout our itineraries.

You are required to purchase comprehensive travel insurance at the time of booking that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, cruise and land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes, and provide a copy to us.

Terms & Conditions

The following terms and conditions ('booking conditions') form the basis of your contract with Australian Pacific Touring Pty Ltd ('APT', 'we' or 'our'). Please read them carefully as they set out your and our respective rights and obligations.

These Terms & Conditions were correct at time of publication. For the most up to date Terms & Conditions visit our website www.aptouring.com.au/legal/general-information-conditions

GENERAL CONDITIONS:

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions, that you agree to them and that you agree to them applying to your holiday arrangements that you book with us and which we agree to make, provide or perform (as applicable) as part of our contract with you. References in these booking conditions to your 'holiday package' are references to the tour package you have booked with APT. References to 'excursions' are references to short trips or tours included or available as part of your holiday package.

Governing Law

These booking conditions are governed by the law in force in Victoria, Australia.

BEFORE YOU BOOK

Price Validity

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up-to-date pricing may be found on our website – www.aptouring.com.au. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

Transfers

Airport transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the hotel at their own expense. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group.

Freedom of Choice™ & Signature Experiences

Minimum and maximum group numbers apply on some Freedom of Choice or Signature Experience inclusions. If your first choice of Freedom of Choice or Signature Experience is unavailable you may be asked to choose an alternative.

Public Holidays & Festivals

Most countries have public holidays, religious or otherwise. Festivities may temporarily disrupt your holiday and some religious holidays may result in reduction of facilities and entertainment.

Details including the full range of benefits and conditions, are available on our website at aptouring.com.au/apclub

BOOKING & PAYING FOR YOUR HOLIDAY

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel. Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost

of any services booked in conjunction with the flights.

Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are required to purchase at the time of booking.

Travel Insurance

Travel Insurance is not included in your holiday package. For your protection, you are required to purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

Travel Information & Documents

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests

Where a special request (e.g. diet, room location, twin or double-bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit & Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

Accuracy

APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, annual events. APT will endeavour to notify you of any significant changes prior to your departure.

Disruption to Cruising & Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alternations may be necessary for various reasons including, without limitation, road, river or weather conditions, strikes, airline schedule changes or

other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements.

Itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary.

APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights

If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

Force Majeure

Force majeure event means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements due to Force Majeure

If APT, in its reasonable opinion, considers that any force majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure

In the event that APT cancels or changes your travel arrangements in any way due to a force majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed

personally by APT, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Data Protection Policy

Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.aptouring.com.au/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

Limitation of Liability

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. APT representatives are empowered to ask guests to depart a holiday package if they are displaying known COVID-19 symptoms. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

COVID-19 Requirements

Before booking and before you travel, ensure that you check the latest Government travel requirements and APT updates which include the onboard protocols (which will be available on APT's website at www.aptouring.com.au/about-us/travel-updates) which will set out the obligations which apply to customers departing on tours. This may include obtaining proof of negative test results prior to embarkation, completion of health questionnaire, mask wearing, requirement to isolate if COVID-19

symptoms present during tour and removal of passengers from the tour if deemed necessary by medical staff. Compliance with the travel requirements and APT updates is mandatory and anyone refusing to comply can be denied access to the tour or removed from the tour at APT's absolute discretion. For tours departing 01 January 2022 onwards, proof that you are fully vaccinated with a Government approved COVID-19 vaccine will be required for each passenger before the commencement of the tour. Fully vaccinated means that there has been at least 14 clear days (not including the date of vaccination) from the second dose in a two-dose series of vaccines before the date of departure. If Government guidelines are published which recommend a booster dose of any approved COVID-19 vaccination, the reference to fully vaccinated will only apply if a passenger has had a booster dose no earlier than nine months and no sooner than 14 days prior to departure of the tour.

Local Purchases

APT is not responsible for any items you may purchase locally i.e. jewellery/furniture etc. You acknowledge that you are solely responsible for any import duty or freight costs.

Personal Belongings & Lost Items

For security reasons, valuables should be kept to a minimum and packed in your hand luggage along with your medicines. It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from a visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

Smoking

Government regulations forbid smoking in tourist coaches however frequent stops are made for those wishing to smoke. Smoking is not permitted in hotel rooms or ship cabins. Requests for smoking/non-smoking rooms will be passed on to hotels but cannot be guaranteed.

Responsible Service of Alcohol

Our staff are trained in the responsible service of alcohol and are obliged by law to refuse service to any guest who, in their reasonable opinion, appears to be intoxicated or behaves in an aggressive or offensive manner.

Service Enquiries

If a problem occurs during your holiday you should, in your own interests, advise your Tour Director so that steps can be taken to resolve the matter. If you remain dissatisfied, any complaint must be made in writing to APT within 30 days.

Luggage Limits

Each passenger is entitled to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover portage handling of any additional luggage. Your Tour Director will advise you of the exact additional charge.

included). APT Voyages river cruises operated by AmaWaterways include beer, wine and soft drink with lunch and dinner only. Complimentary beverages are not available during city stay extensions or on land tours.

Not Included in Holiday Package Price

Airfares (unless stated), airport taxes, meals and drinks other than those specified in the itinerary, passport and visa fees, excess baggage, fuel surcharges, gratuities not specified in your itinerary, vaccinations, government taxes and laundry (unless stated).

Choosing Your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our publication contains limited information, however, there is more information on our website at aptouring.com.au and our qualified staff are available to discuss your options.

Gratuities

Gratuities for the land portion of your tour, shore excursions, and on board your cruise are included within the tour price. Gratuities cannot be redeemed for cash.

Hotels

Hotel rooms in Europe are often smaller than those in Australia and New Zealand. In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination. The hotels listed will be used on almost all holiday packages, however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown.

Twin or Double Rooms

Accommodation in all hotels, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated.

Solo Travellers

A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single room/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

Cruising – Cabin/Suite/Stateroom Selection

APT will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, APT reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

Passengers Needing Assistance

APT welcomes all passengers. Guests with limited mobility are asked to please note the following:

1. Guests with a disability or medical condition requiring assistance must inform APT of any important information relating to their health, mobility and/or fitness which may affect their partial or total participation in the cruise or tour. This information will allow APT to ensure the chosen tour is suitable and meets their needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible, APT will make reasonable adjustments to the tour to assist all guests, however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.
2. If guests require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), they must travel with a companion capable of providing the required assistance or care. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. Guests must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.
3. While APT will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.
4. Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. APT ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks, tender boats, riverbanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Due to the lack of infrastructure along the riverbanks, and absence of lifts on board vessels, wheelchairs will be of

minimal use. Passengers who use a wheelchair should reconsider travelling on these tours.

Health and Fitness

A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot, which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. Small Ship Expedition cruises require you to be able to climb in and out of zodiacs and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations and consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

Visa and Passports

All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. APT is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

Shore Excursions

The timing of shore excursions on all holiday packages may differ slightly for each package. Published times are a guide only and are subject to change without notice. It is impossible for large coaches to be used for some city sightseeing excursions and many towns and cities will be visited by way of walking tours. For river cruising, clients must be able to climb ramps to embark or disembark river cruise ships. Depending on river water levels, these may have a number of steep steps. Venue closures outside of APT's control may affect our ability to operate some excursions. Holiday packages including time in Switzerland and other alpine regions may include excursions to, at times, high altitudes. Small Ship Expedition cruising holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs or tenders.

Signature Experiences

The Mozart Boys' Choir members do not perform on all departures and may be substituted with an alternative children's choir.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

Changes or Additions to Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

Cancellation Policy

The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels):

Days of Notice

Prior To Departure	Fee Per Person
100 days or more	Loss of deposit
99-61 days	50% of holiday package price
60 days or less	100% of holiday package price

All cancellations must be received in writing by APT and are not effective until this notification has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed.

Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of \$70

per person in addition to any applicable cancellation fees.

Cancellation of Ticketed Airfares

An APT cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes to Ticketed Airfares

If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of \$30 per person for the first change and \$85 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT).

ON HOLIDAY

Noise and Vibration

APT takes reasonable steps to minimise noise and vibrations on its cruising vessels. You acknowledge and accept that some noise and vibration may be experienced on aircraft, vehicles, vessels and trains and that APT is not liable to you for any such noise or vibration.

Docking Position

During port stops ships may dock side by side, obstructing views and requiring you to pass through other ships to embark or disembark.

Sun Deck

During passage through locks or under low bridges, or in the case of adverse weather, it may be necessary to close the main sun deck for passenger use. In the interests of safety, sun deck closures are rigidly enforced. While circumstances will vary and are beyond control, closures of the main sun deck may amount to 4-6 days on average per 15-day cruise. The lower sun deck may also close for short periods of time.

Seat Allocation on Coach and Air Tours

To ensure all passengers enjoy forward and window facing seats, we have incorporated a daily seat rotation system. This system is not able to be adjusted to suit individual needs under any circumstances. Coaches used on Small Group Journeys or Classic Tours are 40-seater vehicles. In the unlikely event of unforeseen circumstances, a replacement vehicle may be offered which may not fulfil this specification.

Wi-fi Internet – Rivers, Small Ship Expedition & Luxury Yacht Cruising

Wi-fi internet is available without charge aboard your vessel although APT cannot guarantee the consistency of the service throughout the cruise.
